TINA

She's wild and crazy in the bedroom, and that really came across in this shoot at 28-year-old Brummie Tina's house. "This kitchen has seen plenty of action. My other half likes to pop it up me when I'm doing the washing up! He loves playing with my boobs while he fucks me from behind! My favourite body part? Funnily enough, I would say my eyes. It's so horny to stare into someone's eyes while you're sucking or fucking them!"

Bummer camp

LUCY, TRURO

£60

While camping with my husband this summer, I started teasing two young lads in a nearby tent.

One thing led to another and one night my husband got very aroused when he got back from the shower and found the lads touching me up.

They had taken off my dress and were running their hands over my breasts and pussy.

One of them buried his face in my pubes and tongued my wet pussy lips and clit while the other flopped his cock into my mouth.

They swapped round and the other guy stuck his cock in my panting mouth. He was even thicker.

I reached orgasm in no time at all and had to clamp a hand over my mouth to stop the whole campsite from hearing.

I could see my husband standing there stroking his cock, really erect at the sight of his lovely wife being such a horny bitch.

The guy who was licking me nudged his cock into my pussy.

He rammed his dick in and out of me and soon my muscles tightened round him as I reached another shuddering orgasm.

The other guy then took his place in my spunky pussy.

This all proved too much for my husband who followed that up by spraying his spunk over my bouncing bottom.

Lucy, Truro.

Lick her licence

Ever since I realised I was a lesbian, I've been looking for kinky thrills with other women. Recently I decided to place a contact ad online. I just posted an undraped picture of myself, saying I was open-minded and wanted my limits pushed.

I got a lot of replies, most from single women and a few from couples, straight and lesbian. But the winners were Nicola and Amanda. They were both married – to men – but had been fucking each other for years. A few emails later, we decided a threesome might work, so I went to stay with them for the weekend, at Amanda's place while her husband was away.

They suggested leaving Friday fuck-free, just so we could all get to know each other better and work out exactly what we wanted. But we all knew what we were after a couple of hours and a few drinks later.

In the bedroom, we all kissed and undressed each other, Nicola and I ending up totally naked while Amanda kept her split-crotch knickers on. Between us, we also had the biggest collection of sex toys I'd ever seen – I'd narrowed my choice down to ten, Amanda had a drawer full and Nicola's hold-all seemed to be rattling with the things.

The pair of them were desperate to have a crack at me. They were both pretty sexy women in their mid-20s, but how many 30-year-olds did they meet who were up for it like I was? As it was Amanda's place, Nicola let her go first. She laid me down on the bed, arranging me just how she wanted – legs apart and cunt wide open. I put my hand up to grab my tits but Nicola asked me to stop

– she wanted to see them wobble about as Amanda fucked me!

Amanda had this really powerful vibrator – the type you plug into the mains – and she might as well have plugged me in, the way I convulsed about as she pressed it lightly against my clit. Then she got a dildo and slid it up my hole. I was already frothing wet. As she worked up to fucking me hard, I gave as good as I got, pushing back against her.

The next time she pulled the toy almost all the way out, I put a hand down and grabbed it round the shaft. She asked if I was okay – I said yes, then moved it down so it was poised over my arsehole. I slathered my own pussy juices over the shaft and on my arse, and Amanda used some lube as well, just to be sure.

I looked over at Nicola, who was strapping on a dildo, distracting myself as Amanda pushed hers up my arse. Now, as she pumped me slowly, Nicola walked round and let me take a suck on hers. I had a cock in both ends (a first for me), my bum tightening around Amanda's shaft every time I sucked deeper on Nicola's.

SHE WANTED TO SEE MY BIG TITS WOBBLE WHILE SHE FUCKED ME

Now Nicola asked if they could change ends. Nicola's strap-on was just that bit slimmer than Amanda's hand dildo, so I was already nicely opened up to take it. Next, Amanda strapped on a clean dildo for me to suck on. I had a vibrator on my own clitoris, and my pussy was streaming with juices. My two new friends just kept me cumming, until I couldn't cum any more.

They were insatiable, though. Amanda used her toy to fuck herself to orgasm, while Nicola barely let me recover before she was asking me to strap one on. I pretty much just lay there, moaning with pleasured exhaustion while she straddled my crotch, fucking herself against the big rubber prong sticking up from it.

We've said we'll hook up for another shagfest very soon!

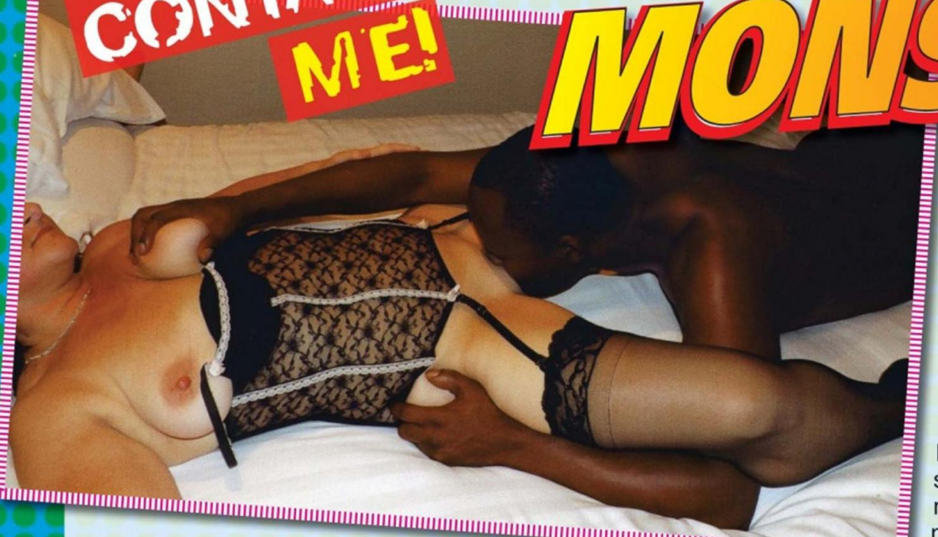
MONSTERS OF



Dear Escort,

We decided to give contact Chris a call because he was reasonably close to us but mainly because of his pics which Caz drooled over.

Chris was a fit 27-year-old with a huge cock. He told us how he loved wanking over Caz and was longing to please and tease her.

When we did, in a hotel, Caz was waxed, wore stockings, a tiny thong and her favourite basque.

We both took a deep breath and a large gulp of wine. Then there was a knock at the door.

Caz's nerves were soon eased. A tall, well dressed, good-looking guy, Chris, introduced himself with a bottle of wine and a lingering kiss on the cheek.

Caz turned to me, smiled and mouthed the words "Oh my God, thank you."

We sat on the bed and chatted while having a glass of wine, none of us knowing how to start proceedings.

Then to my surprise (and I imagine Chris's), Caz leant forward and slowly rubbed her hand up Chris's thigh. Instantly I could see a large bulge in his trousers. He moved towards Caz and gently started to kiss her lips. Caz stood up and seductively took off her loose-fitting dress.

His jaw dropped. "Wow, you look so sexy!"

"Thank you, I feel so horny," Caz said.

Now I stood behind her with my hands running up and down her basque, softly kissing her neck.

Chris was kissing her all over and squeezing her beautiful bum. She groaned loudly as he kissed down her stomach and her aching pussy.

She frantically grappled with his belt and eased down his trousers. His huge cock sprung free and bounced up right in front of her face.

"Mmmm", Caz purred as she took it in her hands and tried to take the first few inches in her mouth.

I was frantically clicking away with the camera as my gorgeous girlfriend licked and sucked as much of his monster dick as she could.

After a few minutes Chris sat on the bed and pulled Caz down with him. He was totally naked as Caz lay next to him. I undressed and joined them.

Caz was the centre of our attention. We slowly licked, kissed and stroked every part of her while she squeezed and wanked our cocks.

Chris was sucking at her pussy again, only this time he had pulled her thong off and was expertly licking Caz's swollen creamy lips.

She had her eyes closed and was whining and moaning while I sucked her stiff nipples. Her groans grew louder and she finally gasped: "Oh God, fuck me! Please, fuck me. I want to feel your cock inside me." Chris didn't need telling twice.

He briefly knelt over her as she held his solid cock and sexily teased the tip along her glistening slit.

He bent down and kissed Caz's passionately as his helmet opened her tingling cunt. I felt her body shake as he slowly entered her.

She was now gripping my arm and shouting: "Oh fuck yes, that's so good!"

£100

Chris gently ground against her, pumping slowly in and out, letting her feel every inch push into her throbbing cunt.

In only two minutes Caz's was clawing his arse and bucking uncontrollably.

"Oh God, like that, don't stop, you're making me cum," she said as Chris ploughed his full length deeply into her.

She screamed as her first mind-blowing orgasm of the night hit. Now Chris was pumping harder and his body stiffened. "Cum all over my tits!" Caz demanded.

COCK!

He knelt and wanked five huge spurts of thick spunk over her tits, stomach and bare pussy before collapsing next to her.

I couldn't wait any longer – as Chris caught his breath, I rolled Caz on to her tummy and eased my rock hard cock into her still-tingling pussy, shooting my load deep inside her.

I woke early to the sight of Caz bouncing up and down on Chris. When he'd done, I noticed Chris slip something into Caz's hand.

Later I asked her what he had given her. "His private number," she said, giggling.

"Oh, you naughty horny girl. When were you going to tell me?" I said.

"Maybe I wasn't going to. Maybe I'll tell you after," she said laughing.

"Fine with me," I replied!

I love what a gorgeous, sexy tease Caz is!

"My sister and her boyfriend was staying over one night and I bumped into him in the kitchen at three in the morning drinking milk from the fridge," confesses the 22-year-old. "Without a word, I dropped to my knees and took a drink myself. We had to be totally quiet as my sister was in the next room and it made me laugh when he pumped down my throat while trying not to gasp with surprise and pleasure. I thought he was going to have a heart attack. Then I would have had some explaining to do to my sister!"

Sam Bentley: Shags like a rabbit

What's the best thing about being a porn star? All the filthy fucking of course, as Brit hottie, Samantha Bentley reveals...

Interview by Rose Crompton

There are many reasons why I enjoy being a porn star – the travelling, meeting amazing people – but the most obvious is that I love having sex.

I've always been an exhibitionist and I liked the idea that I could be famous for fucking. Starting out four years ago, I was only doing solo stuff. From there I moved on to girl-girl and in the last year I decided to do hardcore shoots with guys.

What changed my mind was seeing a girl-guy scene being shot. I was on set for the Harmony film, *Brooklyn Lee: Nymphomaniac* and met performer Ian Tate. I watched him do a DP scene and I remember thinking, yeah I want do boy-girl and I want to do it with *him*.

A few months later and it was all set up. My first hardcore scene was about to happen with Ian Tate. The thought of having sex on camera was exciting, but I was so nervous too. Ian arrived while I was having my make-up done. He came downstairs and when I saw him I remembered how badly I wanted him.

By the time we got to shooting there was all this tension that had built up. It was on one of the Harmony porn film vacations in Scotland, so I had about 30 people watching my first boy-girl scene. Originally, it was meant to be straight sex, but what made it even more exciting was that it ended up being anal!

While we were doing it, I turned round to Ian and shouted, "Fuck me in the arse!" It was so impulsive! It's easy to get caught up in it all, especially if you're attracted to that person and desperate to fuck them, but you have to take the camera and everything else into consideration, which takes it out of the ordinary. I made sure my first hardcore scene was how I wanted it to be – I knew I wanted it to be for Harmony, I knew I wanted Gazzman to direct and I knew that I wanted it with Ian. That made me feel good about it and made me want to do more.

Now I've got about 100 films to my name – I work hard! – and I've become much more experienced, although I do still get caught up in the moment and have to be reminded to 'open up to the camera'. I like to have passion and lust with whoever I work with. Even if I don't particularly fancy someone I can find something attractive or hot about them that makes me want to fuck them. I always want to put in a good performance and for it to look passionate and be intense.

Bentley motors

> "He threw me to the floor and savagely fucked my arse. I fell in love with him there and then"

Kenny Noye was determined to make the most of his prison break

When it comes to getting ready for a scene, helping to warm someone else up gets me turned on too. With girls – and I say this with love – a lot aren't actually into girls. Whenever I go to set and I'm doing girl-girl, I always make an effort to give the girl a kiss and say hi. A lot don't do that, which I find very strange considering you're about to have sex. I genuinely like girls – I could eat pussy for days!

With guys, I'll let them have a little grope before and I like to be generous with guys. I don't believe that as soon as the cameras are off that we should stop touching. I'll help them out by giving a blow job or letting them fuck me a bit longer. For a guy it's really hard. You have to keep wood with all of this stuff going on and between position changes. If they see that you're into it more, then that helps them and I'm happy to do that.

Easily, my favourite male performer that I've worked with is Rocco Siffredi. *Everyone* knows who Rocco is and I don't care how cheesy it sounds, but I totally fell in love with him.

Before the scene I asked Rocco if there were any dildos I could use to warm my arse up with. Rocco said, "Yeah, yeah, come with me," so he led me into a room and closed the door. I'm looking for dildos and then he suddenly grabbed me, threw me on the floor and savagely fucked my arse. He was like, "Now you're warmed up." I fell in love with him then and there. Rocco wanted to film with me and booked me again for the next day so that he could fuck me. When we did our scene I've never had such a connection with anyone like that. It was so passionate and rough as fuck – just how I like it.

My next big career ambition is to start directing. Eventually I'll have to retire from performing and I want to stay in the industry because I love it. As a director I think I'd do a lot more kinky stuff, but with a glamorous edge.

SHE OFFERED MY HUSBAND HER ARSE!

We've been into swinging for a few years, so when we went on holiday to Berlin we thought we'd try and check out the swinger club scene there!

When we arrived it was obvious that as far as our choice of club went, we had made the right choice. We got in with no fuss, and it looked as if most people spoke English!

We were getting on very well with a German couple who were a little younger than us.

They were very interested in Britain and the swinging scene here as they were planning a trip. We'd chatted on much longer than we usually would in a club, so we all decided to take it on to one of the club's rooms.

The room we went to was basically a square, with a soft floor – not quite a mattress, but padded. I looked at out German friends as they undressed. Linde was firm and fit with smallish tits, and had blonde hair. She looked like she spent time at the gym. Lamarr was fit and firm-bodied too, with short brown hair and a big dick.

Linde took Richard's cock and wanked it so it was as hard as it could get, then licked up and down its length. I followed suit with Lamarr's dick. Already my juices were flowing and I was eager to get his cock rammed up me as soon as I could.

I took the lead and lay back on the floor. Lamarr wasn't ready to feed my hole his cock yet though, and began lapping at my shaven cunt!

As he paid attention to my clit I looked over at Richard. Linde was rolling a condom onto his cock – lucky cow, she was going to take his length!

I was surprised when she got on all fours and smeared lube onto her tight little arsehole though. She was offering my husband her arse! I watched as he eased his dick into her bumhole – I'd never seen him fuck another woman in the arse before, even though he'd done me there plenty of times! It was a sexy sight.

Lamarr filled my pussy with his meat in one slow thrust. His cock felt good inside me, and he began to pound away in steady strokes.

Linde was panting and calling out as she frigged herself while Richard fucked her arse. I reached over and fondled her nipples, and I knew this was the kind of thing that would send her over the edge! I was right – she wailed and panted, cumming on her fingers so hard that Richard's cock was squeezed out of her arse.

I was close to orgasm myself – but I tend to cum quietly. Lamarr fucked me steadily, pumping in and out with regular thrusts. Just the way to make my cunt quiver! I took another look at Linde.

She was flicking her clit while Richard fucked her cunt hard and fast. She started to cum again, and I could see Richard would be able to hold on. Then I saw from his face that he was there, pumping his mess into the condom inside her!

It was my turn – I couldn't hold it back if I'd tried! I convulsed with it cumming hard and long. As I relaxed back after the final wave Lamarr pulled out of my cunt and spewed a hot load of jizz over my stomach!

LISA,
S. YORKS

Tree-some

SHE WINKED AND SWALLOWED THE LOT

I've got to be well into a woman to take her home to meet my parents, but Lisa more than qualified.

Their place is pretty big, and as she wandered around the garden she noticed the tree house my dad had built for me.

There was just about enough space for the two of us, and she fell in love with it. We also realised this was the first time we'd really had to ourselves since arriving. She started snogging me, and I kissed her back passionately.

Instantly, she had my cock out and she started wanking it to full hardness, bowing her head and rasping her tongue against the underside of my helmet. Meanwhile I got her jeans unzipped and had my hand wedged down her knickers, curled between her thighs to probe her twat. She was all hot, moist and lovely.

We spread our jackets on the floor and she got on all fours, sticking her gorgeous, peachy arse in the air.

I also found it horny that her jeans and knickers were still on, just down around her thighs. It meant she couldn't part her legs more than slightly, but I knew that would just make for a tighter fuck. I love how she looks with her swollen pussy lips sort of peeking out from between the cheeks of her arse.

Then we just enjoyed a slow, deep screw. We were both looking out of the little window, and I noticed a mate of mine, who'd said he'd be around to see us at some point, in the garden wondering where the hell I was.

Knowing we could see him as we fucked but he couldn't see us, and knowing there was just the slightest chance he could come climbing up the tree – as he'd often done as a kid – also added an extra little thrill.

Lisa thought this was all hilarious but obviously she couldn't laugh out loud. The thing was, every time she tried to stop herself bursting out with the giggles, she clamped her twat tightly around my prick, which just made for an even better fuck.

She's screwed me often enough to know when I'm getting to the brink of cumming, and this time she slid forward off my prick, shuffling around to face me.

My prick was jutting up, quivering and glistening with her wetness, and she started sucking on it, her hand curled around the shaft to wank it against her tongue again. I had to bite on my own finger to muffle my groans, especially when I reached the point of no return. She opened her mouth wide and gave my prick one final wank, and I watched as my white sticky mess shot out to coat her tongue. She winked at me then swallowed the whole lot.

Even if we'd disposed of that evidence all right, my parents must have known we'd been up to something, from all the looks and muffled laughs between me and Lisa when we had dinner with them later that evening.

Colin, Rotherham.

JASMINE

ROUTE

Why do girls take so long to get ready to go out? Primping, preening and picking outfits, mostly. But not Layla, (25, from London) who can't keep her hands off her glorious glands. "I got so fed up changing my outfit, I started playing with myself, hefting my heavy boobs, stroking my thighs and finally plunging my fingers into my hot wet pussy!" We'd take all night long over that!

Tarty Party

It all started at a friend's party. I was slightly drunk and my husband had been showing 'naughty pictures' of me to our friends; he was asking them to persuade me to pose for pictures for your magazine.

A short while later one of my husband's female friends asked him if she could kiss me. Lisa is in her early twenties, slim and devastatingly attractive. I don't know if he would have agreed if it was a male friend but he says he would and that this was my choice. He asked me if it was OK, and being slightly drunk, I agreed so Lisa and I disappeared to a spare bedroom together.

Lisa started by softly touching my cheek and drawing me closer to her face before our lips met. That single moment in time was electric for me. Lisa is bi and experienced, I have only ever been with a few men in my life and I couldn't believe the initial sensation of my lips meeting hers.

£90

We fell on the floor, our lips locked together, tongues entwined and our hands reaching at buttons and zips, frantically trying to undo any barrier to our passion. I felt the rush of excitement as her fingers found my clitoris.

She raised her hips allowing me to slide her jeans down and to get access to her soft, wet pussy. Just then my husband called up the stairs to see if we were OK. Breathlessly I called back "Fuck off and leave us alone!"

Lisa and I both kicked off our shoes and got out of our clothes as fast as we could. As soon as we were both stripped bare we paused momentarily looking at each other's naked body. The effects of the wine had worn off – I was now giddy with excitement and expectation.

I opened my legs wide for her and her fingers found my clit. My back arched involuntarily. I longed for her to push her fingers inside me and, as if reading my mind she obliged and found my G-spot almost instantly. I was in heaven and on the verge of cumming already and we had only been together five

minutes. What the fuck!?!

Lisa gasped as my fingers found her moist pussy again. I kissed her, my fingers always probing her gorgeous wetness.

I eased two fingers inside her just as I brought my lips above her clitoris, took a deep breath, stuck out my tongue and licked. I could feel her clit harden against my tongue, especially when I pushed my fingers deeper inside her. Lisa moaned with pleasure. My fingers were coated with her pussy juices so I rubbed them gently round her arse before pushing my index finger into her tightest hole, my tongue still lapping at her pussy.

She grabbed my head and pulled me closer, my tongue lapping up every last drop of her oozing sex, my finger pushed deeper inside her. I felt her tremble, heard her moan from satisfaction and smiled to myself that I had been able to do this.

I thought it was about time to rejoin the party but Lisa seemed to have other ideas. "It's not fair", she said, "I haven't had a chance to taste you yet."

She gave me a grin and put her head between my legs while kneeling either side of my face so that we were in a sixty nine.

My whole body tensed when she ran her tongue along my snatch, she grabbed my bum cheeks as if trying to pull herself closer, sucked my clit into her mouth and rolled her tongue around it.

This was FUCKING intense – every part of me tingled! I had never believed so much pleasure was possible at one time and then to really make my endorphins rush she pushed two fingers in my sopping cunt and another into my eager bum, her mouth still locked on my clitoris.

This orgasm took my breath away. My body shook and my legs twitched and my pussy and arse clenched around Lisa's fingers as wave after wave of orgasmic release rushed through me.

My body and mind had just reached places I never knew existed and all I could do was lie there trying to get my breath back, enjoying the afterglow of the most powerful orgasm I had ever had.

Lisa grinned – she could see I was still unable to speak. As she got dressed she said: "We'll have to call that a 68… You still owe me one!"

"I GO LIKE THE CLAPPERS!"

Get busy with the Lizzie! Readers of a certain age may remember a breakfast TV fitness freak of this name who used to threaten early morning viewers with early coronaries by insisting they jump around performing purgatorial exercise routines instead of pulling the duvet over their heads, masturbating before the snooze alarm went off again and eating their own body weight in black pudding (not all at the same time). "I'm a morning person too!" smiles this Lizzie. "But only for rampant sex, then back to a nice lie-in for me!"

NICOLA, N. IRELAND

sexy showtime

My man is always at work but I keep him (and me) satisfied with a sex show on his office webcam.

Last time, I greeted him normally, just my face at first. Then I adjusted the camera to show him the big dildo I had stuck in my snatch.

I saw him draw in a deep breath and asked if he was on his own at work. He said yes, for about the next hour, so I told him to get his cock out.

I watched him stroke his shaft to stiffness for me, sighing as I imagined his knob getting rigid in my hand or mouth – it was like I could taste it.

On the little inset picture I could see what he was seeing, my creaming cunt getting all stirred up by my toy. Then I got a vibrator and touched it to my clit.

It felt intense, the fake dick. I started cumming and I couldn't stop, until I finally pulled the vibe off myself, and the dildo out, slapping it in between my horny, swollen boobs.

I told him to look how horny, how wet the sight of his prick was getting me, and told him to wank it faster. The movement looked a bit shaky on my screen, but his big pole was making my clit throb all over again.

He told me to get the dildo back in my cunt, to fuck it like I'd fuck his cock. I asked if he could see how I was getting tighter, how the juices were streaming out of me now. I told him to grip his cock tight, to think how it felt when I was cumming so hard around it he couldn't hold back himself.

> SOON I GOT A BIG SALTY BLAST IN MY MOUTH

monster mush

To get away from the kids around our way we usually book a hotel on Hallowe'en night. This year we went to Manchester and it was one of the most memorable yet.

I was ready first so I went down to the bar and got myself a drink. I hadn't been sat there long when I was joined by two young lads from Leeds, Rob and John.

They asked me if I was on my own and if I fancied a good time. I told them I was waiting for my hubby but a good time was always on the cards with me.

As we finished our drinks they started stroking my stocking-clad legs. I spread them a little further apart so that they could feel I had no knickers on.

Rob started stroking my clit and then slides two fingers into me. This turned me on a great deal, so I said we had better go to a room or we would end up being arrested for having sex in public.

We got in the lift and headed up to my ninth floor room. I shouted to Bob that I had a surprise for him. My dress was off in seconds and I stood there in nothing but my stockings and shoes.

Rob pushed me onto the bed and spread my legs. He dropped his pants and out popped the biggest cock I had seen for ages. Seeing the size of it made my cunt gush and I told him to fuck me hard.

I screamed as he entered me. Rob pumped away and so on each inward stoke my juices splashed out. John put his cock in my mouth, it wasn't as big as Rob's but it was a good size.

As I was being fucked at both ends, Bob was sat in a chair with his cock in his hand wanking away.

Rob shouted that he was cumming and shot deep inside me, when he had finished John moved round and rammed his cock into me and shot another load up me.

Bob got off the chair and his cock was in me within seconds, putting a third load in my already soaking cunt.

The guys then sat on the bed and watched as I scooped dollops of cum from my aching hole and smeared it all over my face and tits, sucking my fingers clean. As you can imagine this soon got them hard again. I told them I needed more cock in me.

Rob lay down on the bed and I got on top of him easing myself on to his big fat cock. John came up

CONTACT ME

Soon we were finding it hard to talk, so we just watched. My cunt was pulsing and sucking on the toy, while Dom's fat helmet was throbbing in his palm. Then he started to cum – I saw him lose his mess all over the desk, shooting harder than usual so he had to clap his hand over his helmet to catch the rest of it. Then he showed it to me, said if he was home he'd get me to lick it off his fingers. I did the next-best thing, pulling the dildo back out and slurping the juices off every inch of that instead.

I told him to call me when he was on his way home, so I could be wet and ready for his cock.

He came in to find me playing with my toys and told me to spread my legs for the real thing.

He fucked me hard before I took his cock in my mouth. My tongue-flicking and lapping away were too much for him to take for long, and soon I got a big salty blast in my mouth.

Now he goes to work with a spring in his step, knowing he gets an hour of sex play every lunch break!

Nicola, N. Ireland.

I'D NEVER HAD THREE COCKS AT ONCE BEFORE AND I LOVED IT

behind and entered my arse and Bob was in front of me with his cock in my mouth. I was in ecstasy, I'd never had three cocks at once before and loved every second of it.

After every few strokes they would change places and once I had them in all three of my holes I was cumming like mad.

After everyone had cum, we made arrangements to meet again. I'm not waiting till next Hallowe'en though!

SHE SUCKED MY COCK LIKE A WOMAN POSSESSED

cycle loin

This summer, my wife Tasha and I drove to a quiet local picnic area. There was no-one around and we sat down at a bench to snog in the fine sunshine.

From the look on her face I knew she was up for it, so I told her to sit on the table so I could eat her cunt.

I was busy licking and sucking her pussy when I noticed a cyclist pull in to the picnic area. Tasha didn't notice and I carried on licking her hot throbbing wet pussy.

As the person approached the table I could tell from the lycra shorts that she was female. She removed her helmet and glasses and walked slowly over to the bench.

Her hand was inside her shorts, rubbing her cunt lips.

Slowly she eased them down, revealing her silken shaved cunt. Tasha turned her head for the first time and realised there was someone else with us.

The lady rider moved herself close to Tasha's head and Tasha stuck her tongue deep inside her wet lips and tasted pussy for the first time.

I could see my wife licking her hot cunt lips. The mystery rider then slid under the table and positioned herself between my legs.

She got my cock out and started sucking it like a woman possessed. Knowing I couldn't last long, I pulled her up while Tasha lay on the table.

I manoeuvred the cyclist to the end of the bench so she could bend over and eat Tasha's cunt. I then got behind her and eased my throbbing cock deep inside her.

I slid my thumb up her arse while I fucked her and received no complaints. So then I pulled my cock out and pushed it against her brown ring.

After a little struggle I pushed my cock deep into her arse.

I knew because of the horny situation I would not last long. As I felt that tightening in my balls I pulled my dick out and shot my hot spunk all over her arse and back.

When she had finished, the cyclist put her shorts on and without a word got onto her bike and rode off.

Tasha and I spent the rest of the day fucking and sucking.
